## SPECIAL PARISH INFORMATION AND ARCHDIOCESAN EVENTS

The Promised Land can be a battlefield.- Be Not Afraid.

When God gave to the people of Israel the Promised Land, they probably did not realise that it would be a battleground for the rest of history.

Ever since the Israelites returned from Egypt this land has been wedged between competing groups who had the bad habit of using the Promised land as their battlefield.

Did God make a mistake in choosing this place or was this part of his plan?

In history of the Bible that God had intentionally put the people in an impossible situation. The constant message of the Old Testament prophets seems to be that God allowed this so that they would have to rely on Him and not their own power. God repeatedly tells the prophets to not make alliances with other nations or with other human power to save them.

As Christians we are on a journey to the Promised Land and once again it seems that God allows us to be surrounded by forces that threaten to overpower us.

It is so hard to survive as Christians in this world. Sometimes even the commandments of God seem impossible to live. But perhaps this is the whole point!

While battles rage all around us, Jesus tells us to be simply like little children, be dependent upon and trust in the love of your heavenly Father who will protect you, no matter how great the trials be. The true beauty of the Promised Land is to be found in when we allow ourselves to be carried and protected by the Father, rather than fight for survival by our own strength.

**1st and 2nd Collections** A reminder that due to the restrictions in place at this time, the collection plate will not be passed around during mass. If you would like to continue with your contributions please place it in the wooden box and the back of the church. Please do not use the poor box or the record box for the parish collections. Thank you for your continued support and understanding at this time..

**Planned Giving 2020/2021** Given the Covid-19 directions at this time, our normal procedure of having planned giving cards out on the pews with pens/pencils is not able to go ahead.

Pam will organise the planned giving boxes based on last years information. If you would like to make any changes to your contribution or join the direct debit program, please contact Pam during office hours or send an email so she can make the necessary adjustments. We thank you for your continued support of our Parish.

**Beware of Scammers** spoof emails and scam emails are proliferating around parishes, purporting to come from priests, parish secretaries and parish offices. Please be very wary of such emails, especially those requesting money or iTune cards, neither Fr. Michael or Pam would send emails of this nature. If unsure please call the parish office.
