SPECIAL PARISH INFORMATION AND ARCHDIOCESAN EVENTS

You will probably already know what I am about to share with you, but nevertheless it was news to me when I heard it. So, let me pass on my new-found piece of information that is already known to you. Apparently, the heart has the capacity to send messages to the brain and it's out of that, that you and I act, behave. Something happens between our heart beats, that is when the messages are sent onto the brain. You and I, we faced that loads and loads of times, haven't we? We perceive insult, our heart registers that and it gets to the brain and you and I act. So often you and I act inappropriately, and we are sorry about it afterwards. There is something else though, sometimes things happen but you and I just can't handle. We are washed with emotions of one kind or another. Perhaps we have had an experience of rejection or we have felt abandonment, or we are caught in grief. Some of those things even by our own fault. When we are caught up in those sorts of things it is often difficult for both you and I to find the words to express what is going on. Sometimes there isn't anybody to tell anyway and we sit there are left in our isolation. I would like to put forward to you something that I have discovered for myself. You know when those times hit you, when you don't have the words? It is a really good idea to sit quietly even for just a minute and say to the Lord, "Speak to my heart. Speak to my heart" and say it over and over again, that way the words from God, the words of peace, comfort, clarity, consolation, they are words that fill up that space between your heart beat. They are the words that go to your brain. They're the words then that dictate your actions. There is a little thing in there to, that both you and I can often forget, before we can even say, "speak to my heart Lord", God is already listening and speaking to our heart. Our heart is already in conversation with Him. I don't know about you, but I find that the most consoling conversation there is, and I know it works.

The Archbishops Christmas Appeal for Lifelink is being held throughout the Archdiocese this weekend. If you did not collect Archbishops Costelloe's personal letter at Mass last weekend, **please collect one as you leave** and read his message, **or**, use one of the **special giving envelopes** which have been provided on the pews for you today. We urge you to give generous support to help the work of our Archdiocesan social service agencies and help people in need. **You can mail your gift in the reply paid envelope provided or return your envelope and donation to the parish at any time over the coming weeks.**

St. Vincent De Paul The Lesmurdie Vinnies conference has placed a Christmas collection box in the church foyer for donations of appropriate food-stuff to be distributed to the needy over Christmas time. Due to the circumstances this year our Christmas hampers will be made up only from our generosity of non-perishable foods as they are no longer supplied by head office. Please have your donations in Sunday 6th December. Thank you.

Volunteers are called from the Parish to tend to the weekly collection and washing of the small linen used for Mass ie purificators, finger towels and corporals. Please email the parish if you are able to help in this ministry. Thank you.

Covid Ministry volunteers are called to help prepare the buckets of sanitisation fluid prior to weekend Mass and disposal after the 5.30pm Mass.

"Adore" Advent & Christmas Daily Reflections 2020 are available and on sale from the Parish office or Father. Price \$4 each.

New Liturgical Year begins 29th November. Sundays Year B. Weekdays Cycle 1.

November the Month of the Holy Souls during the month of November the Church universally prays for the Deceased. Should you wish a Mass to be offered up for your deceased family members or friends please complete the face of the November envelope which you'll find in the pews, and place it in either of the collection boxes or place the envelope in the Presbytery 'drop off letter box' situated just left of the front door, when facing the door. Thank you.

Collections Thank you for your continued support of the parish. Due to the continued Covid-19 restrictions all offerings are to be placed in the collection box at the back of the church. Thank you.

Note—for clarification box labelled 1st Collection is in support of the Clergy. Box labelled 2nd collection is Parish Planned Giving. Thank you.

2021 Columban Calendars (\$10) are still available for purchase, also **Christmas Cards (\$2)**. Please place purchase money in the adjacent POOR Box. All proceeds support our local St. Vincent conference. Thank you.

The Planned Giving program is an important part of the Parish as it allows us to maintain all aspects of the Church, Presbytery and Parish Centre. In order to keep the Parish viable we must maintain a target of 95% and above each week.
This week's giving was 81% of the target. *Thank you!*
