## SPECIAL PARISH INFORMATION AND ARCHDIOCESAN EVENTS

I heard a great yarn the other day. Some boys were out the front of their house on the cement playing with their basketball. No doubt the ball was a new Christmas gift. One of the lads had contact lenses and in the course of playing he dropped one of the contact lenses. Well terrified, that he would have to go in and tell his mother, he and his mate crawled around the cement for a couple of hours. Trying, trying, trying to locate it but of course they did not find it. In the end, shame faced, he had to go in and tell his mother. You could imagine what that was like. Anyway, his lovely mother came out and she to, crawled around the cement. The difference was that she found the contact lens. The boy was amazed and said to her "Gee Mum how did you do that? She said "It was easy!! You were looking for a contact lens, I was looking for three hundred dollars!" So, we have begun the new Year, and so I am asking you what are you looking for?

Do you know what you are looking for this year?

Do you want a repeat of last year or are you looking for something new?

Do you actually know what you are looking for? If you don't know what you are looking for you will never really find it! You would be smart this year. Yes, I would be smart this year. If you go to God right now and put before him what you are looking for, tell him what you are looking for this year and then invite Him to search with you. That woman was looking for three hundred dollars. God, when he searches with you, he is looking for the fullest of your life. He is looking for the ways to make you the happiest person on the planet. God is looking for ways to fulfill the secret dreams that you have not told anybody about yet. Hey, it's the start of the New Year let us go search with God.

**Rosters—COVID Prevention** Volunteers required to fill the buckets with water and add disinfectant and place out the cleaning cloths on Saturday. Additional volunteers required to empty buckets on Sunday evening and or the cleaning cloths to be washed and returned for the following Saturday. The new mutated strain raises additional concerns, Let us all be attentive to prevention.

**Parish Morning Tea** We would like to reintroduce morning tea after the 9.30am Sunday Mass. Due to the depleting volunteer numbers, morning teas will be held once a month, on the First Sunday of each month. If volunteer numbers increase, we can then look to return to our normal practice. Please let Pam know if you would like to continue or add your name to the morning tea roster. Thank you.

**Collections** Thank you for your continued support of the parish. Due to the continued Covid-19 restrictions all offerings are to be placed in the collection box at the back of the church. Thank you.

Note—for clarification box labelled 1st Collection is in support of the Clergy. Box labelled 2nd collection is Parish Planned Giving. Thank you.

The Planned Giving program is an important part of the Parish as it allows us to maintain all aspects of the Church, Presbytery and Parish Centre. In order to keep the Parish viable we must maintain a target of 95% and above each week.  
This week's giving was 76% of the target. *Thank you!*
