Sat 08	6.00pm	In Thanksgiving St Anthony	<i>PROFESSION OF FAITH</i> I believe in one God, the Father almighty, maker of heaven and earth, of all things visible and invisible. I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages. God from God, Light from Light, true God from true God, begotten, not made, consubstantial with the Father; through him all things were made. For us men and for our salvation he came down from heaven, and by the Holy Spirit was incarnate of the Virgin Mary, and became man. For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end. I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets. I believe in one, holy, catholic and apostolic Church. I confess one baptism for the forgiveness of sins and I look forward to the resurrection of the dead and the life of the world to come. Amen.

The number of Catholic residents in the local aged care facilities within our parish has increased dramatically. To serve our brothers and sisters desiring sacrament I again, as prior to the COVID pandemic call upon Eucharistic Ministers to assist in distributing Holy Communion to these our special needs parishioners. Pre-requisite. Current Working with Children, Documentation of Proof of Vaccination of Flu and COVID to the facility and a RAT test prior to entry. Volunteers will be rostered. Volunteers are asked to contact the Parish Office so that a roster may be compiled. Thank You. **Fr. Michael.**

SAFEGUARDING INDUCTION FOR CHURCH WORKERS AND VOLUNTEERS The Authority has directed us that **ALL parish workers** and **ALL volunteers in parishes** be accredited by completing the prescribed "Safeguarding Course". The occurrence and tragedy of abuse of the vulnerable and innocent youth goes against every fibre of the teaching of Christ and our Christian faith! Let us continue to make our Parish and a safer place to worship and live in. Details of times of online and that of "Face to Face" course are here given below. If you are one of our generous parish volunteers and have not as yet been able to complete the accreditation, I encourage you to take the opportunity to do so. World Youth Day Lisbon, Portugal, August 2023. This is an open invitation from our Pope to all young people in our Church, to come together, share our Faith and be a witness of Good News to the world. It is a festive encounter centred in Jesus Christ and an opportunity to personally experience and celebrate the diversity of our Catholic Church. World Youth Day is a unique way to deepen your faith and grow closer to Christ, through prayer and the sacraments, together with hundreds of thousands of other young people from around the world. Expressions of interest are now being taken by Catholic Youth Ministry for those who are keen to attend. Further information can be found by visiting the website at cym.com.au

Giver of Life.

I remember one of the mothers telling me the story when their child returned for school one day after having been on a science excursion. Her child returned quite frightened. At the evening meal the father picked up the sense that not all was at rights with the lad. He asked his son about the day. It transpired that the little boy had been told all the wonders of a particular machine that they had seen, and he was worried that the machine would take over the world, come walking down the street into his house, own his life. His father listened attentively and with great patience as the little one needed to be listened to and then he said. "Did it have an electric plug? Did it have an on, off button?" "Yeah" was the reply from the little boy. Then, said his father, "You could always unplug it and turn it off. You're in charge, not the machine." A smile of sheer relief broke out on the little boy's face. "Yeah" he said and undisturbed continued to tuck into his dinner. I think sometimes we forget that God is the creator of all life, not mankind. Whatever "life" (note in comas), we give to anything, a vacuum cleaner, a computer whatever it is always short lived because life in its eternal, perpetual form as we have it is not ours to give. We talk about giving life to our children, but we don't. The life that we have been given passes to them and it is passed to us from people who have gone before us. If you go back far enough, you see that life originally comes from God. Furthermore, look around you, we are surrounded by the life of God even down to the smallest mosquito. It too has life given to it by God. Make yourself an observer of life this week because God is always and ultimately the giver of life and He's doing it still. It is a free gift! So, as I said make yourself an observer of life this week and see how much life there is all around you over which you and I have absolutely no control.
